EDUCATION

New Jersey Institute of Technology

September 2017 - December 2021

Bachelor of Science in Mechanical Engineering – GPA 3.38/4.00

Dean's list, Member of ASME, Certified SolidWorks Associate (Mechanical Design)

EXPERIENCE

CAD Designer Drafter

January 2022 - Present

Economical Construction Corp.

New York, NY

- Review customer requirements and specifications for applicable design elements.
- Interpret architectural and engineering sketches to create detailed drawings for construction projects.
- Field verification and on-site measurements of home interiors.
- Ability to work independently with minimal oversight.

Product Safety & Compliance Intern

June 2019 - August 2019

Panasonic North America

Newark, NJ

- Provide technical guidance on meeting regulatory compliance requirements
- Address issues resulting from test findings by nationally recognized testing laboratories.
- Develop strategies to achieve Panasonic's globally viable regulatory compliance software.
- Conceptualize efficiencies in product compliance certification automation.
- Communicate regulatory compliance visions with Oracle, Salesforce, and SAP.

Materials Testing Intern

June 2018 - August 2018

HVEA Engineers

Chestnut Ridge, NY

- Permeability test (chloride ion penetration) of concrete cylinder specimens.
- Perform compressive strength testing of concrete cylinders, grout cubes and shotcrete cores.
- In-place density testing of soils for compaction using a nuclear density gauge.
- Field test of fresh concrete; that include slump, air, temperature and cast cylinders.
- Process soils/aggregate samples; running gradations and proctors.

Investor Relations Analyst

June 2013 - September. 2016

Mackenzie Partners

New York, NY

- Advise corporate issuers on corporate governance, executive compensation, and ESG proposals.
- Engage with portfolio managers to communicate the economic benefits of proposed transactions.
- Develop strategic corporate communication campaigns for Fortune 500 companies.
- Organize client marketing and road shows for contested/special situations.

SKILLS & INTERESTS

Technical Skills: SolidWorks, AutoCAD, CREO Parametric, ANSYS, Fusion 360, SketchUp, MS Project

Interpersonal Skills: Positive Influence/Leadership in Team Environments, Conflict Resolution, Attention to Detail

Personal Interests: 3D printing, woodworking, long-distance running, skiing.
