EDUCATION

New Jersey Institute of Technology

Sept. 2017 – Dec. 2021

Bachelor of Science in Mechanical Engineering — GPA 3.41/4.00

Dean's list | Member of ASME | Certified Mechanical Design SolidWorks Associate

EXPERIENCE

CAD Drafter

Jan. 2022 – Present

Economical Construction Corp.

New York, NY

- Collected field survey data and redline drawings to create detailed AutoCAD drawings for residential renovations leading to properties selling above asking price.
- Managed large/small scale reconstruction projects and provided direction to subcontractors/builders as needed.
- Developed detailed designs for the remodeling of residential kitchens and bathrooms.

Product Safety & Compliance Intern

June 2019 – Aug. 2019

Panasonic North America

Newark, NJ

- Observed testing, evaluating and certifying that progressed into the success of industry's first e-bike safety standard certification from UL.
- Conceptualized efficiencies in compliance certification and consulted software vendors for a regulatory compliance automation system.
- Developed and implemented a scorecard spreadsheet department members used to input their rankings of software vendors.

Materials Testing Intern

June 2018 – Aug. 2018

HVEA Engineers

Chestnut Ridge, NY

- Permitted the pour of 140 cubic yards of concrete for the Delaware Aqueduct Bypass Tunnel by certifying its slump, air and temperature.
- Performed compressive strength test of cylindrical concrete specimens from the Goethals Bridge to assure their specifications were met.
- Conducted in-place density and moisture content tests of soil-aggregate using a nuclear moisture-density gauge.
- Carried out permeability tests of concrete specimens via chloride ion penetration.

Investor Relations Analyst

June 2013 – Sept. 2016

Mackenzie Partners

New York, NY

- Advised corporate issuers on corporate governance, executive compensation and ESG proposals.
- Developed clear, accurate and timely campaign response reports for special shareholder meetings of Fortune 500 companies.
- Trained and supervised team of 28 contracted employees to engage with portfolio managers on behalf of Procter & Gamble during a contested proxy fight.

TECHNICAL SKILLS

Design & FEA: AutoCAD, SolidWorks, ANSYS, Fusion 360, Creo, Simulink, Instron, GD&T, SketchUp, Python, JavaScript, HTML

Interpersonal: Positive Influence/Leadership in Team Environments, Conflict Resolution, Root Cause Analysis, Attention to Detail, Creative/Targeted Solution Implementation
